

Bobaflex, Born Again

HA!

HA!

Down in the gutter where the light doesn't shine

I beg for crumbs with the rats and the bums.

HA!

Hear the bastard laughing they say: "Son its over".

HA!

You can't stop me but you try

Do you ever really think about me?

i have fallen and I fell you doubt me

You say "I love you but its your dream" she screamed

Do you ever really think about me?

I've been through hell, and I'm born again

And i'm gonna keep on tryin

I've been through hell, and I'm born again

I'm gonna get it right this time

I said it's all or nothin for you my friend

And im gonna get it right this time

I've been through hell, and I'm born again, yeah born again

HA!

HA!

Walk through the fire with a smile on my face

it won't be long till I'm out of this place

HA!

Baptized by the raindrops resurrection makes me stronger.

HA!

You can't stop me but you try

Do you ever really think about me?

i have fallen and I fell you doubt me

You say I love you but its your dream she screamed

Do you ever really think about me?

I've been through hell, and I'm born again

And i'm gonna keep on tryin

I've been through hell, and I'm born again

I'm gonna get it right this time

I said "its all or nothin for you my friend"

and im gonna get it right this time

I've been through hell, and I'm born again, yeah born again

HA!

HA!

You can't stop me wont you look who's laughing in the end

Do you know what hell looks like baby?

i've come back, it kinda made me crazy

Not in it for the money or the glory

But to have a happy ending to our story

(Whaooooo! x3)

I've been through hell, and I'm born again

and i'm gonna keep on tryin

I've been through hell, and I'm born again

I'm gonna get it right this time

I said its all or nothin for you my friend

and im gonna get it right this time

I've been through hell, and I'm born again, yeah born again

(HA!)

(HA!)

you can't stop me wont you look who's laughing in the end
