I bless the day I found you I want to stay around you And so I beg you, let it be me Dont take this heaven from one If you must cling to someone Now and forever, let it be me Each time we meet love I find complete love Without your sweet love what would life be So never leave me lonely Tell me you love me only And that youll always let it be me Each time we meet love I find complete love Without your sweet love what would life be So never leave me lonely Tell me you love me only And that youll always---let--itbe--me
