

Bobbie Singer, Reflection (Eurovision 1999)

When I'm sad
I need a shoulder to cry on
And when I'm bad
You know that I'm better
when you're the one that I'm thinking of
And when I come
It's to you that I turn
There's no need to be lonely
I'll be there everytime for you
Isn't that the way it's supposed to be
Sometimes memories will have to do
Don't recognize me
I'm the one that you have seen
The reflection in your eyes (2x)
They say it's a long way to heaven
But they're wrong
'cause heaven is you
And if I fall
From grace everlasting There you are to make everything new
And we can fly forever
Wrap yourself around my emotions
We can only make it better and better
Don't ever think to doubt my devotions
Don't recognize me
I'm the one that you have seen
The reflection in your eyes (2x)
Don't recognize me
I'm the one that you have seen
The reflection in your eyes (4x)
