

Bobby Bare, I'm Her Hoss If I Never Win a Race

I'm not the least bit worried bout somebody stealin' my honey
Not even those uptown cats with their money
I feel real sure no one can ever take my place
Cause I'm her hoss if I never win a race
I'm her hoss if I never get out of the gate
If I stumble and fall I don't worry at all she'll wait
Although I never have the coin just to buy all things she'd want
Still she swears up and down that she just loves me only
She says bein' broke ain't never been no disgrace
And I'm her hoss if I never win a race

[guitar]

No I never have to worry bout somebody stealin' my honey
I ain't sweatin' them uptown cats with the money
Lord I feel real sure no one can ever take my place
I'm her hoss if I never win a race
I'm her hoss if I never get out of the gate
I don't worry at all if I stumble and fall she'll wait
Although I never have the coin just to buy all things she's wantin'
She swears up and down she just loves me only
She says been broke ain't never been no disgrace I'm her hoss if I never win a race
I'm her hoss if I never win a race
