

Bobby Bare, It Ain't Me Babe

Go away from my window leave at your own chosen speed
I'm not the one you want babe I'm not the one that you need
You say you're looking for someone never weak but always strong
To protect you and defend you whether you are right or wrong
Someone to open each and every door but it ain't me babe no no no
It ain't me babe it ain't me you're looking for babe

[harmonica]

Go lightly from the ledge babe go lightly on the ground
I'm not the one you want babe I'll only let you down
You say you're looking for someone who'll promise never to part
Someone to close his eyes for you someone to close his heart
Someone to die for you and even more but it ain't me babe no no no
It ain't me babe it ain't me you're looking for babe
