

Bobby Bare, Love's Gonna Live Here

(Love's gonna live here love's gonna live here love's gonna live here again
No more loneliness only happiness love's gonna live here again)

Oh the sun is gonna shine in my life once more love's gonna live here again
And things are gonna be just the way they were before love's gonna live here again
(Love's gonna live here...

[harmonica - steel]

Oh I hear bells a ringin' I hear birds a singin' love's gonna live here again
And I hear bees a hummin' and I know the days're comin' love's gonna live here again
(Love's gonna live here...
