

Bobby Bare, Lovin' You Anyway

[with Jeannie Bare]

(Okay, kids. Now me and your mama gonna sing a song.)

It don't matter what you do and it don't matter what you say
Honey you know I'll be lovin' you anyway yes I will
And it don't matter if you come to stay or if you come to play
Honey you know I'll be lovin' you anyway
I'll be lovin' you fast and lastly longin'ly on your birthday and in between
When your friends all up and gone I'm the one you can count on
It don't matter if it lasts forever or just today
Honey you know I'll be lovin' you anyway
[dobro]
I'll be lovin' you rain or shine snow or sleet in the alley or on the street
Anytime anyway anyhow anywhere turn around and I'll be there
It don't matter if you're young and gay or if you're old and gray
Honey you know I'll be lovin' you anyway honey you know I'll be lovin' you anyway
