

# Bobby Bare, No Sad Songs For Me

I walk around imagining the way she say goodbye  
And when she tries to tell me I hope that I won't cry  
No sad songs for me soon our love will be just a memory it's all over  
The glow has gone forever and our dreams have turned to dust  
I don't know how I can go on and yet I know I must  
No sad songs for me soon our love will be just a memory it's all over  
It breaks my heart to feel this way although I try to smile  
To think I'll be alone again in just a little while  
No sad songs for me soon our love will be just a memory it's all over it's all over
