

Bobby Bare, Please Don't Tell Me How the Story

This may be our last good night together we may never pass this way again
Just let me enjoy it till it's over or forever please don't tell me how the story ends
See the way our shadows come together softer than your fingers on my skin
Someday these may be all we remember of each other
Please don't tell me how the story ends
Never's just the echo of forever lonesome as the love that might have been
Let me go on loving and believing till it's over please don't tell me how the story ends
Please don't tell me how the story ends
