

Bobby Bare, That's All I Want From You

[Both]

A little love that slowly grows and grows

Not one that comes and goes that's all I want from you

A sunny day with hopes up to the sky a kiss and no goodbye

That's all I want from you

[Bobby]

Don't let me down oh show me that you care

[Skeeter]

Remember when you give you also get your share

[Bobby]

Don't let me down I have no time to wait

[Both]

Tomorrow might not come when dreams're dreamed too late

A little love that slowly grows and grows

Not one that comes and goes that's all I want from you

[guitar]

That's all I want from you

[Bobby]

Don't let me down oh show me that you care...

That's all I want from you
