

# Bobby Bare, Tulsa County

My nights have been lonely since I've been in Tulsa County  
And I really don't know what I'm gonna do  
Guess that I'll just mosey down around that southern border  
Cause I feel I gotta get away from you  
I got your note in Charleston that you needed my assistance  
But when I came out you didn't need me then  
Though I may not be your wise man but I know the life I'm a living  
And you got your help from lots of other men  
I don't know just where I'll go guess I'll ride on down to Mexico down to Mexico  
You say that you love me like your feeling got you sorry  
But you gotta lie to keep this fool around  
And if I'd stay I know that I'll just be around to laugh at  
Since there's nothing else to keep me in your town  
I don't know just where I'll go guess I'll ride on down to Mexico down to Mexico  
I don't know just where I'll go guess I'll ride on down to Mexico down to Mexico
