

Bobby Bare, Vincennes

Vincennes Vincennes Vincennes Indiana Vincennes Vincennes Vincennes my hometown
I'm coming back clear the track I'm someone to someone in Vincennes my hometown

Have you ever known how lonesome it can be in the big city
Let me tell you friend it's lonesome
Everybody runnin' busy with their own affairs
There I was in a crowd lost and no one cares
I've often heard if you want a break go to the big city that's the place to start
But the only break I saw anybody get in the heart of that city was a broken heart
Vincennes Vincennes...
