

Bobby Brown, Give It Up

GIVE IT UP

(Written by Bobby Brown, Gerald Baillergeau, Victor Merritt, and Jerome Woods)

Uh huh

Hey yo give me a tune-up(??) for this album, man

Well, well, well, well

Yeah

(Just gimme your love, yeah babe)

(Girl, just can't wait, please don't hesitate)

(Just gimme your love, yeah babe)

(Girl, don't be shy, I want you in my life)

Girl, I adore you

Baby, your star's what I've been looking for

Baby, you're bad to the bone, body, heart and soul

But tell me girl, do you think about me when you're alone?

I'm not afraid to say I think about you when I'm not home

(Just gimme your love, yeah babe) Just give it up

(Girl, just can't wait, please don't hesitate)

(Just gimme your love, yeah babe)

(Girl, don't be shy, I want you in my life)

Girl, I see the fellas joking you, even my homies

What I'm-a to do when they know, when they know, when they know that I love you, yeah

I know they don't want me to break 'em down, yeah

For disrespect, that's kinda dangerous

'Cause I know when I got a lady, they better stay in shape

And do me a favor

(Just gimme your love, yeah babe)

(Girl, just can't wait, please don't hesitate)

(Just gimme your love, yeah babe)

(Girl, don't be shy, I want you in my life)

(Just gimme your love, yeah babe) Give it up

(Girl, just can't wait, please don't hesitate)

(Just gimme your love, yeah babe)

(Girl, don't be shy, I want you in my life)

(Just gimme your love, yeah babe) Baby, you got to give it up

(Girl, just can't wait, please don't hesitate)

(Just gimme your love, yeah babe)

(Girl, don't be shy, I want you in my life)

(Just gimme your love)

Yeah, a-ight peace to all the guys out there

All the kids out there, they got the real woman, they got 'em a real woman, you know I mean?

You gotta stick with it, hold it down

Hold it down like the world, you know I mean?

Peace in the ?????? B.Brown is outta here, ??????

(Just gimme your love, yeah babe)

(Girl, just can't wait, please don't hesitate)

(Just gimme your love, yeah babe)

(Girl, don't be shy, I want you in my life)

(Just gimme your love, yeah babe)

(Girl, just can't wait, please don't hesitate)

(Just gimme your love, yeah babe)

(Girl, don't be shy, I want you in my life)...
