

# Bobby Brown, I'm Your Friend

I promise to stay through the rain  
And i told you i'd stick close through the pain  
Didn't i say

Debra:I promise to go the extra mile  
And when you're feeling sad  
Will volunteer the smile

Chorus:'Cause i'm your friend  
And i'm thereJust say when

Bobby:Yes, i'm your friend  
And i will love you'Till the end

Debra:Now even though they'll be times  
We won't agree

But the love we shareI know will always be

Bobby:I will tell youWhen right,  
and yes, when wrong'

Cause it's the truth i love  
And always take along

chorus 2x

Bridge:Bobby:For we know love is patient  
And love is kind, yeah

Debra:This friendship i treasure  
God gave is mine

Bobby:He made us friends  
And i will love you'Till the end
