

Bobby Brown, I Want You, I Need You

(Verse 1)

I know for sure that you will never change, oh-oh-oooh
Why I continue to love you
The answer remains the same, oh-oh-oooh

(Bridge)

Why do I, do I cry
When I know... nothing will change
But if I, keep holding on
Then maybe, you'll see, that I...

(Chorus)

I do want you, I do need you
I do want you, I do need you

(Verse 2)

Deep in my hear-ar-ar-ar-art
I feel that you really do care-are-are, ooh
Is it true what they say?
That our actions speak louder than words
And yours just isn't there, oh oh-oh-oooh

(Bridge)

(Chorus)

(Saxophone solo)

(Chorus) to fade...
