

# Bobby Darin, Lost Love

I lost the love I needed,  
the love to make me strong.

I left the love I needed,  
how could I be so wrong?

If I were only granted  
the right to start anew,  
my love would be lost to you.

Lost love behind me  
true love won't find me  
because I'm so lost.

For all the years I wasted  
and all mistakes I made  
for all the loves I tasted  
how dearly I have paid.

If I could be forgiven,  
for all the pain I caused?

Too late,  
my fate is lost.

Lost love behind me  
true love won't find me  
because I'm so lost.
