

Bobby Darin, (Sittin' Here) Lovin' You

Bobby Darin
If I Were a Carpenter
(Sittin' Here) Lovin' You
If you are wonderin

What Im gonna do
While you are sleepin
Am I sleepin, too?
Well Im just sittin here lovin you
Close my eyes and lovin you
Im just sittin back
Sittin here lovin you.

I have been wonderin
Just what I would do
If I werent sleepin
Had I not found you
Id be outside findin you
Walkin on the avenue findin you
But Im just sittin back
Sittin here lovin you.

Now the reason that you never see me runnin round
Fingers on my forehead couldnt calm me down
She cant even get me up, on my feet
When I got to take care of some busness on the street.

I have been walkin
All my streets alone
I would keep walkin
To keep from goin home
I couldnt quite barely conceive of you
Now I cant conceive of ever leavin you
cause Im just sittin back
Sittin here lovin you.

I have been walkin
All my streets alone
I could keep walkin
To keep from going home
I couldnt quite barely conceive of you
Now I cant conceive of ever leavin you
cause Im just sittin back
Sittin here lovin you.

Im just sittin back
Sittin here lovin you

Im just sittin back
Sittin here lovin YOU!
