

Bobby Darin, Wear My Ring

Wear my ring on your finger
Wear my love within your heart;
And say you'll always be as much in love with me
As at the start
Oh yes, wear my ring on your finger
And make this solemn vow,
That you will always be as much in love with me
As you are now.
And when we're old and we're gray,
We will still have this day,
To remember when December comes in May.
(Won't you) wear my ring on your finger,
Proving that love is ours to share;
You're mine to have and hold,
Just like this ring of gold you wear.
