Words and Music by Bobby Goldsboro

Little things that you do make me glad I'm in love with you  
Little things that you say make me glad that I feel this way  
The way you smile, the way you hold my hand  
And when I'm down you always understand  
You know I love those

Little things in my ear that you say when there's no one near  
Little things that you do let me know that your love is true  
When we walk, you like to hold my hand  
And when we talk you tell me I'm your man  
You know I love those

Little things that I hear, the little things you whisper in my ear  
I know there ain't nobody else like you  
No one could do the little things you do-oo

Little things that you do make me glad I'm in love with you  
Little things that you say make me glad that I feel this way  
When we walk, you like to hold my hand  
And when we talk you tell me I'm your man  
You know I love those

Little things that I hear, the little things you whisper in my ear  
I know there ain't nobody else like you  
No one could do the little things you do-oo
