Bobby Rydell, I've Got Bonnie

(Doop doop, doop doo doop doo doop) (Ah-ooh ah-oop) (Doop doop, doop doo doop doo doop) (Ah-ooh ah-oop)

I've got Bonnie Sweet sweet Bonnie And all my lonely days are through Now, now, now I've got Bonnie Sweet sweet Bonnie Made all my dreams come true

(Doop doop, doop doo doop doo doop) (Ah-ooh ah-oop)

Once I used to cry Nobody cared if I would live or die But then one lucky day I met a girl that heaven sent my way

Now I've got Bonnie Sweet sweet Bonnie

And all my lonely days are through Now, now, now I've got Bonnie Sweet sweet Bonnie Made all my dreams come true

(Doop doop, doop doo doop doo doop) (Ah-ooh ah-oop)

I don't drive a car I'll never be a famous movie star but Still I wouldn't switch with someone else If he was twice as rich

'cause I've got Bonnie Sweet sweet Bonnie And all my lonely days are through Now, now, now I've got Bonnie Sweet sweet Bonnie Made

all my dreams come true
