

Bobby Rydell, Wildwood Days

Spring'll soon be gone (Wildwood days), summer's comin' on (Wildwood days)
And I'm-a dreamin' of (Wildwood days) lotsa summer love

Gonna twist again (Wildwood days) like remember when

Sleepin' 'on the beach (Wildwood days) seven days a week (Wildwood days)
Rockin' every night (Wildwood days) till the early bright

Whoa whoa whoa whoa those Wildwood days, wild, wild Wildwood days
My baby, every day's a holiday and every night is a Saturday night
Oh those Wildwood days, wild, wild Wildwood days
And then those party lights wild, wild Wildwood nights

Whoa whoa whoa whoa those Wildwood days, wild, wild Wildwood days
Oh baby, every day's a holiday and every night is a Saturday night

Oh those Wildwood days, wild, wild Wildwood days
And then those
