

# Bobby Tinsley, Never Give Up On Love

I use to wake up in the morning and I'd hear your name  
Had you picture in my mind I didn't need a frame  
Wrote you letters that I couldn't see you eye to eye  
Hope the letters could express the way I felt inside

Sometimes, the ones that you love  
Do not feel the same way that you do and it hurts you bad  
Sometimes your heart'll get weak  
But you can never give up on love

I'll never give up on love  
Cause I know it's true,  
I know its real because I know the way I felt for you  
And In the middle of the night  
When I hear your name,  
I say a prayer for you  
And hope that you will do the same

I'll never give up on love  
Cause that God aserned  
To find love when he made a prayer we both deserve  
And he's the father that we'll never see on earth  
So I'll never give up on love

Things are different now without you always on my mind  
Definitely better, but I must admit it hurts sometimes  
What we had meant so much to me, jus to let you know,  
But what's done is done and I guess it's time to let you go

Sometimes, the ones that you love  
They don't feel the same way that you do and it hurts you  
Sometimes your heart'll get weak

But you can never give up on love

I'll never give up on love  
Cause I know it's true,  
I know its real because I know the way I felt for you  
And In the middle of the night  
When I hear your name,  
I say a prayer for you  
And hope that you will do the same

I'll never give up on love  
Cause that God aserned  
To find love when he made a prayer we both deserve  
And he's the father that we'll never see on earth  
So I'll never give up on love

Repeat: never give up on love

I'll never give up on love  
Cause I know it's true,  
I know its real because I know the way I felt for you  
And In the middle of the night  
When I hear your name,  
I say a prayer for you  
And hope that you will do the same

I'll never give up on love  
Cause that God aserned  
To find love when he made a prayer we both deserve  
And he's the father that we'll never see on earth

So I'll never give up on love
