

Bobby Valentino, 3 Is The New 2

3, 3

3 is the new 2

Tell me what you wanna do?

3 is the new 2

Tell me what you wanna do?

What you wanna do?

What you wanna do?

3 is the new 2

Tell me what you wanna do?

3 is the new 2

Tell me what you wanna do?

3 is the new 2

Tell me what you wanna do?

What you wanna do?

What you wanna do?

3 is the new 2

Tell me what you wanna do?

You told me about your fantasy

About adding a third party

Are you sure you wanna take it there?

Then maybe we can take it there

Call your girl on the phone

So we can set it up later on

Just tell me where you want me to be?

I'll bring the coke and Hennessey

And we can get it on

3 is the new 2

Baby, bring your girlfriend when you come through

A whole lot of freaky things that we gonna do

If that's your fantasy then I'm feeling you

Baby, 3 is the new 2

Don't forget about your girlfriend when you come through

A whole lot of freaky things that we gonna do

If that's your fantasy then girl I'm feeling you

I must admit I'm a wild type of dude

But I think I met my match with you

With your freaky attitude

And you're always in the mood

I can't believe you caught me off guard

If we're gonna do it then we gotta go hard

There ain't no turning back

Once we all get in the sac

3 is the new 2

Baby, bring your girlfriend when you come through

A whole lot of freaky things that we gonna do

If that's your fantasy then I'm feeling you

Baby, 3 is the new 2

Don't forget about your girlfriend when you come through

A whole lot of freaky things that we gonna do

If that's your fantasy then girl I'm feeling you

Tonight is gonna be X-rated, yeah

And it turns me on to know that you wanna tape it

And watch it over and over

And over, and over, and over, and over

You're so freaky?

3 is the new 2

Tell me what you wanna do

3 is the new 2

Tell me what you wanna do

What you wanna do?

What you wanna do?

3 is the new 2

Tell me what you wanna do

3 is the new 2

Tell me what you wanna do
What you wanna do?
What you wanna do?
3 is the new 2
Tell me what you wanna do
3 is the new 2
Baby, bring your girlfriend when you come through
A whole lot of freaky things that we gonna do
If that's your fantasy then I'm feeling you
Baby, 3 is the new 2
Don't forget about your girlfriend when you come through

If that's your fantasy then girl I'm feeling you
