

# Bobby Valentino, Come Touch Me

[verse 1]

It's one of those nights girl  
you know just what I need I don't have to spell it out you bring out the freak in me ooh something  
terrible I'm getting sweaty right now so

[chorus]

Please come touch me (yeah)

I need it right now so do what you do and please me (alright) kiss me right there baby nice and slow

[verse 2]

The door will be unlocked girl

There's no need for a key just be looking real sexy can't wait to feel your smooth skin Coco brown  
with pretty feey ooh you fulfill my needs

[Break]

How do you do that there girl somebody taught you well you're just like a ball player you bounce it  
every where your game is so tight and you bless me every night with the magic that you do, that you  
(baby do that thing)

[Chorus X2]

[Break X1]

[Chorus X3]
