Bobby Valentino, I Said I Really Love You

[VERSE 1:]
As time passes by
It brings you closer to my heart
I've never felt a stronger love (in my life)
Let me take this (Let me take this)
Time to tell you (Time to tell you)
That I'm really feeling you're style

[CHORUS:]
With all my heart,
I said I really love you babe,
I said I really need you babe,
I said I really love you babe

With all my heart,
I said I really love you babe
I said I really need you babe,
And I'll never let you go

[VERSE 2:]
Arms are open wide (You know they open girl)
Girl don't be shy
I'll be all you need
Just relax your mind
I don't feel no shame
I know you're tired of playing games

[CHORUS]

[BRIDGE:]
Girl, don't you know
Cause I'll be right here
And I'll always love you
Till the end
Us maybe down the line
You can have first prize
I put my pride aside
Only for you
Cause you're so sweet to me [x2]
I'll never give you up
So sweet [x3]

[CHORUS x2: w/ adlibs]
