Bobby Valentino, Slow Down (Remix)

Tim and Bob Bobby Valentino Let's slow it down...it's the remix

(Verse One)

I can tell you keep yourself up hair and nails done plus a good job baby I can tell you from a good home You're a leader and your head is strong you're exclusive not many guys can say they tapped that and I like that put your brake on I'm writing you a ticket with my name on it plus ten digets

(PreChorus)

I'm in your city just for the weekend Relaxation is all I'm seekin' this walkin' and talkin' ain't doin' it for me so baby won't you please turn around and

(Chorus)

slow down I just wanna know ya slow down I just wanna know ya

(Verse Two)

Maybe one day we can share a last name Take trips over seas just to celebrate Whens your birthday I'm a Pisces The right zodiac you can be my wifey Just imagine dress track and I'm in a tux and almost cryin' We gettin' married private ceremony on the beach just like you told yo mamma yea yeah

(PreChorus)

I'm in your city just for the weekend Relaxation is all I'm seekin'

this walkin' and talkin' ain't doin' it for me so baby won't you please turn around and

(Chorus)

slow down I just wanna know ya (Verse Three)

Just a little while (talk to me) baby I'm beggin' baby I'm beggin', beggin' baby Just a little while (tell me) baby I'm beggin' baby I'm beggin', beggin' baby Just a little while (bless me with your beauty) baby I'm beggin' baby I'm beggin', beggin' baby Just a little while (baby) baby I'm beggin' baby I'm beggin' baby I'm beggin', beggin' baby

(Chorus)

slow down I just wanna know ya slow down I just wanna know ya

slow down I just wanna know ya slow down I just wanna know ya slow down I just wanna know ya slow down I just wanna know ya slow down I just wanna know ya slow down I just wanna know ya slow down I just wanna know ya
