Bobby Vinton, Take Good Care Of My Baby

My tears are fallin'
'cause you've taken her away
And though it really hurts me so
There's something that I've gotta say

Take good care of my baby Please don't ever make her blue Just tell her that you love her Make sure you're thinking of her In everything you say and do

Aww, take good care of my baby Now don't you ever make her cry Just let your love surround her Paint a rainbow all around her Don't let her see a cloudy sky

Once upon a time that little girl was mine

If I'd been true, I know she'd never be with you

So, take good care of my baby Be just as kind as you can be And if you should discover That you don't really love her Just send my baby back home to me

Well, take good care of my baby Be just as kind as you can be And if you should discover That you don't really love her Just send my baby back home to me

Aww, take good care of my baby Well, take good care of my baby Just, take good care of my baby
