

# Bobs, Lazy Susan

She's so lazy  
Drives me crazy  
She's lazy  
Drives me crazy  
Something about her drives the boys wild  
Drives me crazy  
Something about her drives the boys wild  
She's so lazy  
Drives me crazy  
Lazy Susan going round and round  
Pick one up and you put one down  
Lazy Susan  
She's inactive  
But so attractive  
She's lazy  
But so attractive  
She doesn't party she thinks it's just a bore  
Take her to ballgames and all she does is snore  
Something about her drives the boys wild  
Lazy Susan going round and round  
Take the boys on the merry go round  
Pick one up and you put one down  
Lazy Susan  
Lazy Susan going round and round  
Take the boys on the merry go round  
Pick one up and you put one down and  
Lazy Susan going round and round and  
Take the boys on the merry go round  
Pick one up and you put one down  
Lazy Susan
