

# Bobs, Where Does The Wayward Footwear Go?

Didn't you ever wonder how you always make a blunder  
When you're countin' all your socks  
into the washing machine?

And when the dryer finishes dryin'  
And you're cryin' cause you got a bunch  
of old maid socks--

It's a bad scene

Where does the wayward footwear go?

To the bottom of the ocean?

Or to China?

Or to Cuba?

Or Aruba?

And when the dryer finishes dryin'

And you're cryin' cause you got a bunch  
of old maid socks--

It's a bad scene
