

Bodies Without Organs, Conquering America (Johan S)

Spinning around round spinning around
The surround sound spinning around
Round round down underground
The surround sound spinning spinning spinning spinning around

Rocking the boat on the Atlantic waves
Burning the tarmac at the JFK
Pulling a train across the midwest plains
Driving a limo down the carpool lane

We've been conquering America
Heads are spinning around
We've been conquering America
Lips are kissing the ground

Spinning around round spinning around
The surround sound spinning around
Round round down underground
The surround sound spinning around

Land of the free I break a look mundane
Home of the brave I take a walk on fame
Chasing a dream inside the melting pot
Closing the gap I'm gonna shoot my shot

We've been conquering America
Heads are spinning around
We've been conquering America
Lips are kissing the ground

Spinning around round spinning around
The surround sound spinning around
Round round down underground
The surround sound spinning around

L'homme avec les cigarettes et le chewing gum
Mon ami amricain
L'homme avec les cigarettes et le chewing gum
Mon ami amricain

We've been conquering America
Heads are spinning around
We've been conquering America
Lips are kissing the ground

We've been conquering America
Heads are spinning around
We've been conquering America
Lips are kissing the ground
