

Body Count, Masters Of Revenege

1994 BC Rise

[Chorus:]

Masters of revenge

Masters of payback

Inciters of chaos

Messengers of rage

All we wanna do to you

Is what you did to us

All we wanna take from you

Is what you stole from us

[Chorus]

Bodycount

You can't kill us

We're already dead

You can't kill us

We're already dead

You can't kill the truth

You're already dead

[Chorus]

Bodycount

You took my past

I want your future

You took your future

You took my parents

We want your children

[Chorus]

Boducount

There can never be justice

On stolen land

There's nowhere to run

You can't escape fate

[Chorus]

Bodycount

Payback muthafuckas
