

Bodyjar, Board!

It's the attitude to be in
I'm the one to tell you that
The scene's fucked up
Leave it in
Diaspora
It's time to board the mountain
Rippin' off a kicker
Five fourty switch stance through the air
Butter your muffins
T-Revert front side olly air
My fun is there Lien air
Bonk that nollie tail grab
You're so amped up
Adrenaline is there
Wall riders on the mountain
