

Bodyjar, No Payback

This entertainment seems to never stop.
She won't talk to him.
And if I call now, I'll feel better somehow.
And I'm not sure I won't.

(Chorus)

I can see everything right before my eyes.
I can see everything I need before my eyes, before my eyes.

It's time to buy something to save my time.
It comes with so much more.
Should I waste my time.
Maybe finally find.
What I've been searching for.

(Chorus)

No payback. (3X)
But, we'll always be the lasts to know.
