

Bodyjar, Picture

[Verse]

I guess I'll have you wait till I hear back from you
I guess I'll have to wait until I get your point of view
if I could stop these thoughts are messing round with me
It might not be so hard for me to stay

[Refrain]

Don't keep me in the picture
It's not about you
Don't keep me in the picture
What have I got to lose
Don't keep me in the picture
It's not about you
Gonna try and break away
What have I got to lose

[Verse]

Nothings making sense and I feel so confused
Days keep rushing by until I lose contact with you
I know I can't pretend that I'm ok alone
It might not be so hard for me to stay

[Refrain]

[Bridge]

Stop thinking about it, when you get home

And in a little while, you will have to know the truth
The pattern is changing

[Refrain]

What have I got to lose
What have I got to lose
What have I got to lose
What have I got to lose
