

Bodyjar, Racist Friend

This is where the party ends
i can't stand here listening to you and your Racist Friend
I know politics bore you
but i feel like a hypocrit
talking to you, and your racist friend

It was the loveliest party that i ever attended
If any thing was broken im sure it could be mended
My head can't tolerate this bobing and pretending
Listen to some bullet head and the madness that hes saying

This is where the party ends
i can't stand here wandering how you,
can stand by your Racist Friend
I know politics bore you
but i feel like a hypocrit
talking to you, and your racist friend

This is where the party ends
i can't stand here listening to you and your Racist Friend
I know politics bore you
but i feel like a hypocrit
talking to you, and your racist friend

Out from the kitchen to the bedroom to the hallway
your friend appologises is he could see it my way
he let the contence of the bottle do the thinking
can't shake the devils hand and say your only kidding

This is where the party ends
i can't stand here listening to you and your Racist Friend
I know politics bore you
but i feel like a hypocrit
talking to you, and your racist friend
