

# Bodyrockers, Handel On Your Face

I got a handle on your face  
It's in stone cold place  
Why don't you move it over here-ah  
And let me battle all your fears

I got a handle on your face  
It's in stone cold place  
Why don't you move it over here-ah  
And let me battle all your fears

I got a handle on your face  
It's in stone cold place  
Why don't you move it over here-ah  
And let me battle all your fears

I got a handle on your face  
It's in stone cold place  
Why don't you move it over here-ah  
And let me battle all your fears

I got a handle on your face  
It's in stone cold place  
Why don't you move it over here-ah  
And let me battle all your fears

I got a handle on your face  
It's in stone cold place  
Why don't you move it over here-ah  
And let me battle all your fears

well you get the rest...
