Bogguss Suzy, I Keep Coming Back For More

Seems like after all we've been through, We would've learned by now Never to fight for who gets the last word It doesn't matter anyhow But round and round we go in circles Trying to work things through Sometimes it feels like miles between us But I keep comin' back to you And it's rough, and it's tough, and it's harder than any--thing I've ever tried to do But I love you so much that in spite of the struggle I keep comin' back to you Hold me now, just think about This room that we've shared so long We've studied the map of cracks in the ceiling Talking till the break of dawn Oh, there is something strong as history Telling me this love is true It says, follow your heart, and you'll be happy So I keep comin' back to you And it's rough, and it's tough, and it's harder than any--thing I've ever tried to do But I love you so much that in spite of the struggle I keep comin' back to you And it's rough, and it's tough, and it's harder than any--thing I've ever tried to do But I love you so much that in spite of the struggle I keep comin' back to you
