

Boilermaker, Sunset Ridge

I met you at the end of the earth at the edge of the sunset ridge
We nearly fell from the edge of the sunset ridge
Take these shotgun shells that you left behind
When you walked through the door
I'd follow you to the end of the road where the earth and the sun become one
I'd follow you to the end of the line where the earth and the sun become one
Take these shotgun shells that you left behind
When you walked through the door
Take these shotgun shells that you left behind
When you walked through the door
I met you at the end of the earth at the edge of the sunset ridge
