

BOKKA, Walk On A Wire

Swimming in the sea
Swimming out of trouble
Hoping it will do
What it does for others

Hanging by a thread
I fail to see
I walk on a wire
Like a needle in hay
Invisibly
I walk on a wire

Living after dark
Sleeping through the daytime
Waiting for the end
Hoping for a fade out

Hanging by a thread
I fail to see
I walk on a wire
Like a needle in hay
Invisibly
I walk on a wire
