

BOKKA, What A Day

What a Day
What a Day
What a Day, What a Day, What a Day, What a Day
What a Day
Day, day!

You, you
You want to wake up
wake up in the morning
Feel something more than you know

Som, som,
Somewhere
Somewhere else
...

What a Day
What a Day
What a Day, What a Day, What a Day, What a Day
What a Day
Day, day!
