Bolt Thrower, Intro... Unleashed (Upon Mankind)

You watch in terror, in fear of your life Their execration revealed, only your death will suffice You cannot conceal, this reality from your mind As unknown powers, are unleashed upon mankind

Unleashed upon mankind

Running - in search of safety No escape from the deadly wrath Screaming - you beg for mercy Silenced - by the searing blast

You are forced to believe, this is for real Mind frozen with horror, as your body trembles in fear No prayers for deliverance, your gods you now forsake Summon courage from within, face your unperceived fate

Unleashed upon mankind

Awaiting - with expectation Impending - life's annihilation Annihilation Mass genocide - the resolution Now verified - out termination

Now the stench of death, abides throughout the world As infesting plagues, cause agonies untold

Unleashed upon mankind

You are the final victim, no one else has survived Alone you now suffer, eagerly waiting to die

The ending draws nearer, our extinction is justly deserved Through thoughtless intentions, this holocaust incurred The closing chapter finished, now face the torment and pain Through death it becomes clearer, mankind alone is to blame
