

# Bolt Thrower, Mercenary

Into the killing zone  
Prepared to die  
Fearful technology  
Faceless mercenary  
Merchant of war  
With no conscience  
Darkness all you see  
Dying hard your believe

Mercenary  
Mercenary

Purchased soul  
To the highest price  
No thoughts of anguish  
Cheapness of life  
Freelance veteran  
Ask no forgiveness  
No tears, no regrets  
Mission completed

Forget the past - For all you see  
Self-created destiny

No innocence - The world bleeds  
Now march onward - Mercenary
