

# Bombay Dr, Calcutta

One day when I got hungry I sold the wooden house  
Thad to visit uncle Gundij who lives in Calcutta town  
Uncle Gundij is rich he's a taxidriverman  
And I know that he will help me as much as he can

A taxidriverman is what I want to be  
But there are no customers who want to ride with me  
I don't know why it could be that I'm almost blind  
But every street in Calcutta I can find

Calcutta, I am a taxidriver in  
Calcutta, I drive my little taxi in  
Calcutta, taxi taxi taxi in  
Calcutta, I am a taxidriverman

I love to drive the taxi I like it very much  
Even though I have no license I always find the clutch  
I can drive without my hands I can drive without my feet  
And I have no problem keeping taxi on the street

Calcutta, I am a taxidriver in  
Calcutta, I drive my little taxi in  
Calcutta, taxi taxi taxi in  
Calcutta, taxi taxi taxi in

Calcutta, I am a taxidriver in  
Calcutta, I drive my little taxi in  
Calcutta, taxi taxi taxi in  
Calcutta, I am a taxidriverman  
I am a taxidriverman
