

# Bombay Vikings, Tera Mera Pyaar Sanam

Your love is like a star, shining in my heart  
Lighting up my life it's true girl  
Never felt this way before  
I keep wanting it more and more  
What would I be without you girl

You've shown me the love I've never seen  
You're like an angel from my sweetest dream  
You've given me my world  
I couldn't find on my own girl  
Now I know what love is

Meri saanson se tere pyaar ki khushboo aaye  
Tere aane se mere dil pe nikhaar aa jaaye  
Dil ko tune jo chhua  
Aisa mehsoos hua  
Jaise sehara mein bhi bhoole se  
Ghataa chha jaaye

Tera mera pyaar sanam, vaada hai kabhi ho na kam  
Ban ke dhadkan tu meri jaanum base dil mein mere

Oh my, my oh my  
I don't wanna hear you say goodbye  
How much you mean to me  
I realize, realize  
Come near, baby come close  
I'm not ever gonna let you go  
How much you mean to me  
Do you know

You've shown me the love I've never seen  
You're like an angel from my sweetest dream  
You've given me my world  
I couldn't find on my own girl  
Now I know what love is  
Tera mera pyaar sanam, vaada hai kabhi ho na kam  
Ban ke dhadkan tu meri jaanum base dil mein mere
