(Super electric)
Super electric sound
(Super electric)
From the underground
(Super electric)
Super electric sounds
(Super electric)
Blasting through your ears

As we break it down to the nitty gritty groove
The bits and the beats an electrical caloo
Yes we be rocking, saluting old school
It never went away, just check out my moves

Access from the very best on the decks yet
The wonder boys gonna get you more erect

We grew up from the sounds, our ghetto blaster was huge
We bombed the underground, the city and the roofs
With the baddest mixtapes, you earned the ultimate cool
Bam, DST, Mintronix, Crash Crew

We break, it down

All those classic breaks are still used today
DJs spin the wheel go rock tha party
Hype it up and vibe it up, stop hold it, play
Calling all the boogie freaks to come right this way
