Bon Iver, Calgary

Don't you cherish me to sleep Never keep your eyelids clipped Hold me for the pops and clicks I was only for the father's crib

Hair, old, long along Your neck onto your shoulder blades Always keep that message taped Cross your breasts you won't erase I was only for your very space

Hip, under nothing Propped up by your other one, face 'way from the sun Just have to keep a dialogue Teach our bodies: haunt the cause I was only trying to spell a loss

Joy, it's all founded

Pincher with the skin inside You pinned me with your black sphere eyes You know that all the rope's untied I was only for to die beside

So it?s storming on the lake Little waves our bodies break

There's a fire going out, But there's really nothing to the south

Swollen orange and light let through Your one piece swimmer stuck to you

Sold, I'm Ever Open ears and open eyes Wake up to your starboard bride Who goes in and then stays inside Oh the demons come, they can subside
