

Bon Iver, Woods

I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time
I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time
I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time
I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time
I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time
I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind
I'm building a still to slow down the time
