

# Bon Iver, Woods

I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time  
I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time  
I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time  
I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time  
I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time  
I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time

I'm up in the woods, I'm down on my mind  
I'm building a still to slow down the time
