

Bon Jovi, August 7, 4:15

this romeo is bleeding
but you cant see his blood
its nothing but some feelings
that this old dog kicked up
its been raining since you left me
now i'm drowning in the flood
you see i've always been a fighter
but without you i give up
now i cant sing a love song
like the way its meant to be
well, i guess i'm not that good anymore
but baby, thats just me
yeah i will love you
baby-always
and i'll be there forever and a day-
always
i'll be there til the stars dont shine
til the heavens burst and
the words dont rhyme
and i know when i die, you'll be on my mind
and i'll love you-always
now your pictures that you left behind
are just memories of a different life
some that made us laugh, some that made us cry
one that made you have to say goodbye
what i'd give to run my fingers through
your hair
to touch your lips, to hold you near
when you say your prayers
try to understand
i've made mistakes, i'm just a man
when he holds you close, when he pulls you near
when he says the words you've been needing to hear
i'll wish i was him 'cause those words are mine
to say to you til the end of time
yeah, i will love you
baby-always
and i'll be there forever and a day-
always
if you told me to cry for you
i could
if you told me to die for you
i would
take a look at my face
there's no price i wont pay
to say these words to you
well, there aint no luck
in these loaded dice
but baby if you give me just one more try
we can pack up our old dreams
and our old lives
we'll find a place where the sun still shines
