Bon Jovi, Damned

I'm lying here beside you in someone else's bed Knowing what were doing's wrong But better left unsaid Your breathing sounds like screaming It's all that I can stand His ring is on your finger But my heart is in your hands Damned if you love me Damned if you don't It's getting harder holding on, but I can't let you go Damned if you don't need me Damned if you do God, I wish it wasn't me standin' in these shoes Damned, damned

A door slams like a shotgun, you jump up to your feet But it's just the wind blowing through the secrets that we keep Made me want to want you, God knows I need to need you By the time the love is over, I'll be sleeping on the streets

Damned if you love me
Damned if you don't
It's getting harder holding on, but I can't let you go
Damned if you don't need me
Damned if you do
God, I wish it wasn't me standin' in these shoes
Damned, damned

Why don't you talk to me? (Because I'm too blind to see) Why don't you look at me? (Because I'm afraid to breath) What do you want from me? (All that I can stand) The lies are on my tongue and I can't turn back I know My soul is damned

Don't worry

I ain't gonna call you or hear you say my name And if you see me on the street, don't wave just walk away Our lives are getting twisted, let's keep our stories straight The more that I resist it, my temptation turns to fate

Damned if you love me
Damned if you don't
It's getting harder holding on, but I can't let you go
Damned if you don't need me
Damned if you do
God, I wish it wasn't me standin' in these shoes
